

Primary PE & Sport Premium

To be doubled to 320m from September 2017

The recent Budget has pledged that funding for the Primary PE and Sport Premium is to be doubled for primary schools from £160m to £320m per year from September 2017. This gives your school the opportunity to make a significant difference to the health and wellbeing of your pupils until 2020.

This investment will not only help develop your pupils physical literacy, competence and confidence with PE lessons, but also enable additional sporting activities to be offered outside of the school day. These additional activities will provide more opportunities for pupil engagement and greater access to physical activity. This is an exciting time for PE and school sport...and Metcalf Multisports is here to help.

Our Programmes

Metcalf Multisports have been working with primary schools for the last 10 years to raise their standards of physical education and school sport.

- Bespoke to each school's needs

Confirmed package of funding totalling £320m per year for PE and sport in primary schools until 2020.

Ring-fenced - funds allocated directly to your school for the sole purpose of investment in PE and school sport, allowing you to meet the needs of your pupils.

A lump sum of £16,000 for each school plus a £10 top-up premium per pupil, per annum, for your school until 2020. A typical primary school with 250 pupils will receive £17,250 each year.

Putting PE and sport at the heart of the school curriculum enabling all pupils to benefit from the highest quality physical education.

Dedicated resource to access expertise and support for teachers such as specialist coaching, teacher training and specific sports programmes.

Inspiring a generation - building healthy activity habits rooted in fun and enjoyment that encourages life-long participation in physical activity.

Ofsted prioritise physical education when assessing the overall provision offered by schools.

Primary PE & Sport Premium

Services from Metcalf Multisports

Professional Teacher Development

We provide professional teacher training using the new sporting government grant which is now available for the next 5 years. Our aim is to train teachers to becoming more confident in teaching P.E. alone in each subject, for that we provide session plans to work along, with assessments for each child. We list key elements for teachers to keep which gives them a great understanding straight the way of the rules and key aspects of each sport to look for.

PPA Cover

P.E is a key element of a child's development. Primary school age is the window of opportunity for them to develop their fundamental movements, such as agility, balance, coordination and speed. This can be achieved through a variety of activities including invasion games, striking and fielding, athletics, tag rugby and SAQ which all run alongside the National Curriculum.

After School, Evening & Breakfast Clubs

We provide excellent coaching in all multi sports sessions as well as specific sport sessions, which are aimed to be fun and enjoyable, whilst keeping children active, fit and healthy. Each session will include a variety of sports or a specific sport which will enable each individual to develop their fundamental movement and improve their own ability. These sessions are available to children of all abilities and ages from reception to year 6.

'Ashley and his team are highly recommended and are able to cater for any of your Primary PE Curriculum needs; we anticipate continuing to use Ashley and his team for the considerable future to bring PE alive for the children of Redlands Primary School'

- **Matthew Peet**
Head Teacher at Sibley Redlands Primary School

'Metcalf Multisports run a range of sporting clubs and afterschool activities, where they have an excellent rapport with the children, engage children of all sporting backgrounds and abilities in fun and exciting sports challenges, maximising their skills and potential. This is a professional team which I am happy to recommend.'

- **Cary Ralph**
Head Teacher at Thythorn Field Primary School
